

# The GOAL Framework

A four-part structure for a prompt that gets a usable answer.

# ⚡ Human Spark

## THE MODEL

**G** **Goal**  
What you want achieved - be specific.

**O** **Output**  
Format, length, tone and audience.

**A** **Additional context**  
Background, constraints, examples and data.

**L** **Look over**  
Review it critically, then iterate.

The default scaffold for anyone moving past one-line prompts.
