

AI Drafts, You **Sign**

AI produces the draft; a named human checks and owns what goes out.

⚡ Human Spark

THE MODEL

- 1 AI drafts**
It gets you to 80% fast.
- 2 Human reviews**
Amend, correct, approve.
- 3 Human signs**
A named person owns the final output - and the liability.

The default rule for any AI-assisted output, especially when regulated.
